

ANNUAL FUNDRAISING DINNER & AUCTION

Advancing State-of-the-art Care for Our Community

2024 Fundraising Goal: \$250,000

This year's Annual Fundraising Dinner and Auction will raise funds for advanced surgery and maternity care equipment.

- **C-Arm machine:** Flexible and mobile X-ray device used during surgeries to provide surgery teams with high-resolution images in real time.
- **Bedside ultrasound machine:** Portable ultrasound machine that will be used by OBGYN, emergency room, and surgery teams throughout the facility to minimize stress and movement for patients.
- **3D ultrasound machine:** Creates a high-resolution 3D scan so parents can "meet" their baby before they are born.

When you support Columbus Community Hospital, you are supporting the health and wellness of everyone in our community. Join us as we continue advancing high quality care innovations for the Columbus region.
